(Organizers reserve right to evaluate appropriateness of your boat for the courses to be attended. If you have questions, then please email tom@maineiskayak.com)

2011 Tidal Training and Rock Garden Workshop are \$395.00 for the each 3 day Workshop, or \$150 per day. (Any paddlers seeking less than full 3 days, understand that event organizers prefer 3 day participants to maximize results for all). Unlike our RWS, Lodging and Meals are on you for this event. We hope to and plan to have evening gatherings each Series as venue and weather allows.

We are presuming you are bringing your own kayak, gear, helmet and tow. New NDK gear, Lendal paddles and other gear can be purchased for delivery to RWS, such as your new Nigel Dennis Kayak custom fit for you by MIKCo.

Kayaks. We can accommodate some kayak rentals at \$75 per day, but availability is limited. If you are renting a boat from MIKCo, please email tom@maineislandkayak.com for availability along with you ht, wt, and interests; generally RMs only.

Demos. There will be a full set of NDK and VCPs for demos as reasonable, but they are NOT available so you can avoid damage to your boat (makes sense I hope).

Workshop Content. Each day of each Workshop will have at least three (3) different student units per day. Please provide us with YOUR priorities for each weekend. If you only want to work on Rocks, let us know. CT venue is primarily about tide races and surf. If you only want to work in Tidal Currents, let us know, etc. NOTE: Organizers presume all student paddlers are well beyond beginner level and are at least novice or intermediate paddlers.
